

GOVERNMENT OF NAGALAND

ANNUAL REPORT

ON

THE WORKING OF RBD ACT, 1969

2011

CHIEF REGISTRAR OF BIRTHS & DEATHS

AND

DIRECTORATE OF ECONOMICS & STATISTICS

NAGALAND, KOHIMA

CONTENTS

Report on the working of registration of births & deaths Act 1969 for the year 2011

1. Vital Statistics by District
 - i. Rural areas
 - ii. Urban areas
2. Number of Births, Deaths and Infant Deaths by Sex,
Maternal Deaths and Still Birth Registered
3. Number of Births, Deaths and Infant Deaths by Sex, Maternal Deaths
and Still Birth Registered (Combined)
4. Vital Rate by Districts
5. Vital Statistics for towns with population 30,000 and above
6. Number of Live Births by type Attention at Delivery
7. Number of Deaths by types of Medical Attention received
8. Number of Deaths by Age and Sex
9. Deaths by Causes, Age and Sex Medically Certified for 19 Major Causes
10. Vital Statistics by Religion
11. Vital Statistics by Months and Sex
12. Live Births Order and Age of Mother:
 - i. Rural areas
 - ii. Urban areas
13. Live Births by Order and Literacy of Mother:
 - i. Rural areas
 - ii. Urban areas
14. Live Births by Order and Literacy of Father:
 - i. Rural areas
 - ii. Urban areas
15. Live Births by Births Order and Occupation of Father:
 - i. Rural areas
 - ii. Urban areas
16. Live Births by Birth Order and Father's Religion:
 - i. Rural areas
 - ii. Urban areas
17. Deaths by Occupation and Sex:
18. Infants Deaths by Age
19. Maternal Deaths by Age
20. Time gap in Registration of Live Births and Deaths.

ANNUAL REPORT ON THE WORKING OF REGISTRATION OF BIRTHS & DEATHS ACT 1969 FOR THE YEAR 2011.

The enactment of the Registration of Births and Deaths Act, 1969 opened a new era in the history of Vital Registration System. It brought out uniformity in the antiquated existing systems of Registration. It was enforced in the state with effect from 1.8.1974. Nagaland Registration of Births and Deaths Rules 1972 were framed under this Act.

This report covers detail of the registration procedure, difficulties experienced, shortfalls and efforts made for the improvement of the registration system in the state.

1. BRIEF DESCRIPTION OF THE STATE, ITS BOUNDARIES AND REVENUE DISTRICTS.

Nagaland lies between 25°60 and 27°40 latitude North of Equator and between the longitudinal lines 93°20E and 95°15E. The state is bounded on the east by Myanmar, on the south by Manipur and on the west and north by Assam and north-east by Arunachal Pradesh.. The Topography is very severe, full of hilly ranges which break in a wide chaos of spurs and ridges. The altitude varies between 194 metres and 3048 metres. Most of the thousand and odd village stand at 1 to 2 thousand metres above the sea level. It is very typical for the Nagas to build their houses on the hill tops and at higher elevations.

2. AREA AND ADMINISTRATIVE DIVISIONS

Nagaland is the sixteenth state of the Indian Union which attained statehood on the 1st December, 1963. The state covers an area of 16,579 sq. km. and is predominantly mountainous in character with remarkable topographical variations. The state has a beautiful landscape.

The State, at present comprises of eleven districts headed by Deputy Commissioner, Eighty-two Sub-Divisions, out of which fifteen independent Sub-Division headed by Additional Deputy Commissioners, twenty Sub-Divisional Officers (Civil) and sixty three Assistant Commissioner (E.A.C) Headquarters. There are seventy four Rural Development Blocks having 1137 villages out of which twenty eight villages are uninhabited. There are nine Census towns. The Capital of State is at Kohima situated at an altitude of 1,444 metres. Dimapur town is the main commercial town which is linked by Rail /Road and Air etc.

Other features of the state according to 2001 Census (provisional) are as under:

1. Population	1978502
2. i. Males	1024649
ii. Females	953853
iii. Urban Population	570966
iv. Rural Population	1407536
3. Growth rate	-0.56
4. Sex- ratio (female per 1000 males)	931
5. Literate population	1342434
6. Percentage of literacy	79.6
7. Density of population (per sq. Km)	119
8. Number of villages (inhabited)	1137
9. Official languages	English
10. Highest Peak	Mount Saramati (3840 metres)
11. Tribes:	Angami, Ao, Chakesang, Chang, Khamniungan, Kuki, Konyak, Kachari, Lotha, Phom, Pochury, Rengma, Sumi, Sangtam, Yimchungrü, Zeliang.

3. CHANGES IN ADMINISTRATIVE AREAS:

Three Sub-Divisions namely, Kiphire, Longleng and Peren were upgraded to District status during 2004. Kiphire and Longleng Districts were carved out from Tuensang district, and Peren District was carved out from Kohima District. The State has now 11 (eleven) Districts.

4. CHANGES IN REGISTRATION AREA-EXTENSION

With the introduction of the Nagaland Registration of Births & Deaths (Amendment) Rules 1999, a registration unit has been opened in all the recognized village of the State, with the Head Teacher of Government Primary School as the Registrar of Births & Deaths in the rural areas. There are altogether 1213 Registration units in the State, 1192 units in the rural areas and 21 units in the urban areas.

5. ADMINISTRATIVE SET UP OF THE REGISTRATION MACHINERY AT VARIOUS LEVELS.

The revamped Model Registration of Births & Deaths Rules, 1999 introduced by the Government of India was adopted in the State which was notified through the Gazette Notification dated 30-9-2000 and thereby introduced the "Nagaland Registration of Births & Deaths (Amendment) Rules 1999 replacing the State RBD Rules 1972.

The Directorate of Economics & Statistics has been functioning as the Nodal department for implementation of the Registration of Births & Deaths scheme in the State since 1974.

The Registration hierarchy in the State at various levels as under:

A. STATE LEVEL:

1. Chief Registrar of Births & Deaths - Secretary, Economics & Statistics
2. Addl. Chief Registrar of Births & Deaths - Director of Economics & Statistics.
3. Deputy Chief Registrar of Births & Deaths - Deputy Director of Economics & Statistics.

B. DISTRICT LEVEL

1. District Chief Registrar of Births & Deaths - Deputy Commissioner concerned
2. District Registrar of Births & Deaths - District Statistical Officer concerned
3. Circle Registrar of Births & Deaths - BDOs concerned.

C. LOCAL LEVEL

1. Registrar of Births & Deaths in Rural areas - Head Teacher of Govt. Primary School (Concerned)
2. Registrar of Births & Deaths in Urban areas - Statistical Computer/Sub-Inspector of Economics & Statistics
3. Military/Para Military areas - Organizational Officer.
4. Medical Institutions (Govt./Private) - Statistical Computer/Field Assistant of Economics & Statistics

6. REGISTRATION CENTRES: There are 1213 registration centers functioning in the State as of April 2013. Out of these 1192 are in the rural areas and 21 in the urban areas.

(1) ***Rural Registration centers:*** In the Rural Areas a registration unit has been set up in each recognized village of the State, manned by the Head Teacher of Government Primary School as the Registrar of births & deaths for their concerned village with effect from 1-12-2006.

(2) ***Urban Registration centers:*** In the Urban Areas (District Headquarters) a Registration Unit has been set up in the office of the District Registrar of births & deaths (District Statistical Officer). Besides, a registration unit has also been

opened in all the Govt. District Hospitals for registering all vital events occurring in Medical Institutions. A registration unit has been opened in Kohima Town Municipal office and in Dimapur Municipal office.

The department of Economics & Statistics had attached Statistical staff at the rank of computer /Field Assistant of Statistics to function as the Registrar of Births and Deaths in the Urban Registration units.

7. REGISTRATION PROCEDURE: According to the Section 8 and 9 of the Registration of Births & Deaths Act 1969. Birth, Death and Still Birth can be registered only by the Registrar of the area of the place of its occurrence. Events occurred in Urban and Rural area can be registered at the following places.

(1) Urban Area: In Urban area events can be registered in the concerned District Registrars' office/Municipal Offices and Medical Institutions where registration centers had been set up.

In urban areas head of the household, in case of domiciliary event and incharge of institution, in case of institutional events, are responsible to report the vital events to the concerned Registrar.

Events occurring in Government Medical Institutions will be registered in the Institution itself with the Registrar of births & deaths attached to the concerned Institution.

(2) Rural Areas: In rural areas of the state, the services of the village council chairman, Gaunburas, Anganwadi & Dhai workers has been made responsible to further report these events to the village Registrar. Events can also be reported directly to the Registrar by the head of the household.

8. INTER-DEPARTMENTAL CO-ORDINATION COMMITTEE:

A. State Level Co-ordination Committee on Registration of Births & Deaths

- | | |
|--|------------------|
| 1. Secretary, Economics & Statistics and Chief Registrar of Births & Deaths, Nagaland, Kohima. | Chairman |
| 2. Director of Economics & Statistics & Addl. Chief Registrar of Births & Deaths, Nagaland, Kohima. | Member Secretary |
| 3. Director, Rural Development, Nagaland, Kohima. | Member |
| 4. Director, Census Operations, Nagaland, Kohima. | Member |
| 5. Principal Director, Health & family Welfare, Nagaland, Kohima. | Member |
| 6. Director of Information & Public Relations, Nagaland, Kohima | Member |
| 7. Director of School Education, Nagaland, Kohima. | Member |
| 8. Director, Social Security & Welfare, Nagaland, Kohima. | Member |
| 9. Addl. Director, Economics & Statistics and Joint Chief Registrar of Births & Deaths | Member |
| 10. Deputy Director, Economics & Statistics & Deputy Chief Registrar of Births & Deaths, Nagaland, Kohima. | Member |

B. District Level Co-ordination Committee of Births & Deaths

1. Deputy Commissioner & District Chief Registrar of Births & Deaths	Chairman
2. District Statistical Officer and District Registrar of Births & Deaths	Member Secretary
3. District Medical Superintendent/ Civil Surgeon	Member
4. District Education Officer	Member
5. District Information & Public Relation Officer	Member

9. MEDICAL CERTIFICATION OF CAUSE OF DEATH:

Medical Certification of causes of Death has been implemented under section 10(3) of Registration of Births & Deaths Act 1969. The scheme on Medical Certification of causes of Death has been introduced in the year 1976 in Nagaland. This Scheme is presently being implemented only in the urban areas of the state, where majority of the medical institutions are functioning. At present eleven (11) Government hospitals and twenty-four (24) Private hospitals located in the urban areas of the state is covered under the scheme. Under Section 10 of the Act, it is mandatory to provide a certificate regarding cause of death by the doctor who has attended the deceased at the time of illness.

Medical Institutions functioning in the rural areas have not yet covered under MCCD. In these institutions though the treatment is available, but deaths reported are almost negligible. It may be due to the fact that, the most serious patients are referred from rural institutions to urban institutions, in the absence of proper treatment facilities. Considering this, MCCD scheme is extended to the Urban Areas only at present.

The revised Form No. 4 and 4A has been printed and distributed to all these Medical Institution and Statistical Personnel's have been attached to all the Government District Hospitals for carrying out this MCCD Scheme successfully.

10. TRAINING ON MEDICAL CERTIFICATION OF CAUSE OF DEATH.

The Office of the Chief Registrar of Births & Deaths in collaboration with the Directorate of Medical & Health Services conducted orientation training course for the Medical Officers and Coders in all the District headquarters during 2010. In this Training participants were sensitized about various provisions of RBD Act and Nagaland RBD Rules. They were reminded about their responsibilities in reporting vital events occurring in their institutions and also reporting cause of death in case of deaths occurred in their institutions. A copy of the "Physician Manual" was also provided to all the participants. Their queries regarding MCCD were also clarified and various measures to improve upon the coverage under MCCD were discussed.

11. ISSUE OF BIRTH & DEATH CERTIFICATES:

The extract from birth and death register is issued on Form No. 5 and 6 respectively under Section 12 and 17 of the Registration of Births & Deaths Act 1969. Prescribed fee is however charged for the issue of such extract as per Rule 9 of the Nagaland Registration of Births & Deaths Rules 1999. Registrars of both rural and urban areas were directed to issue certificate under Section 12 to each and every informant reporting event in time.

i. Delayed Registration:

Section 13 of RBD Act 1969 and Under Rule 9(1) (2) (3) of the Nagaland Registration of Births & Deaths (Amendment) Rules 1999 lays down the procedure for registration of vital events reported after the expiry of stipulated normal reporting period which are as below :

SL. No.	Time limit for delayed registration	Formalities needed to observed	Late fee
1	1 to 21 days of occurrence	-	Free registration
2	21 - 30 days of occurrence	Permission of the Registrar	Rs 10/- (ten)
3	After 30 days but within one year of occurrence	Production of an affidavit made before a notary public, inquiry report of the concerned Registrar, prove of date of birth/death, residence proof.	Rs 20/- (twenty)
4	After one year of	1. An order of the first class Magistrate or a	Rs 50/- (fifty)

12. MAINTENANCE AND RECORDS

The local Registrars are required to maintain the record of all births, deaths and still births in separate registers. Every year on the first of January, new Registers are opened by the local Registrars. The registers related to rural registration centers are transferred to the District Registrar's Office for maintaining on permanent basis after the close of the year whereas records related to urban registration centers are kept by the Registrars themselves. Efforts are required to preserve these historical records considering its legal value.

13. COMPULSORY PRODUCTION OF BIRTH CERTIFICATE DURING ADMISSION TO SCHOOL.

In Nagaland, in both Govt/Private schools production of Births Certificate is a prerequisite document for admission of a child to school. This has been enforced strictly by the School Education Department. This is one of the important factors resulting in huge demand (for issue) of Births Certificate in the State.

14. PUBLICITY: The Department has been taking various steps for publicizing on the importance of Registration of Births & Deaths, which were exhibited to the public in the form of Posters, Pamphlets, Wall hangers, Billboards etc. with the messages of Births & Deaths. More Publicity Campaigns on Registration of Births & Deaths to create awareness on the importance of Registration of Births & Deaths is expected to be carried out.

15. TRAINING & INSPECTION: The Department has been conducting trainings for the Registrars & Notifiers of Births & Deaths at least once in a year with the financial assistance provided by the ORGI. The trainings are imparted by resource persons deputed from the Department. The training is aimed at to motivate and train the Registrars/Notifiers in filling up of various Forms, proper issuance of Birth & Death Certificates and making them familiar with the Registration of Births & Deaths Act 1969 and the State Registration of Births & Deaths Rules.

16. INSPECTION: Inspection to selected Registration units were done from time to time from the headquarter office. The District Registrars and Circle Registrars were instructed to carry out inspection to the Registration units under their respective jurisdictions. Owing to huge number of Registration units, cent percent inspection could not be undertaken during the year 2011.

17. PRINTING OF FORMS & REGISTERS: During 2011 the forms and certificates and register of births, deaths and still births were made available, in time and in sufficient quantity, to all the Registration centers both in the rural and urban areas through the District Registrars (DSOs) and Circle Registrars of Births & Deaths (BDOs)

18. PROSECUTION AND COMPOUNDING OFFENCES.

There was no report on prosecution of compounding during 2011.

19. DIFFICULTIES ENCOUNTERED IN IMPLEMENTATION OF THE ACT.

Due to lack of proper communication facility as well as the difficulties arising from steep terrains and rugged ranges proper supervision and inspection over many of the Registration units could not be undertaken during the year 2011. Besides, due to inadequate postal facilities, the Registrars faces difficulties in maintaining the regular flow of reports to the State headquarter.

Secondly, People in the rural areas are still unaware about the importance of births & Deaths Registration. Unless the necessity for want of birth or death certificate arises, they do not report the vital events in time. As such, most of the registrations are delayed cases.

20. COMPARATIVE ACHIEVEMENT Births & Deaths registered in Rural and Urban areas of the State for the last five years have been presented in the following table:

SL. NO.	YEAR	AREA	Number of Births Registered	Number of Deaths Registered
1	2004	Rural	23433	3180
		Urban	21696	2869
		Total	45129	6049
2	2005	Rural	24595	3383
		Urban	22684	2966
		Total	47279	6349
3	2006	Rural	21852	3362
		Urban	20395	2842
		Total	42247	6204
4	2007	Rural	22271	3378
		Urban	19833	2819
		Total	42104	6197
5	2008	Rural	26697	4216
		Urban	22436	3131
		Total	49133	7347
6	2009	Rural	22938	3487
		Urban	19741	2978
		Total	42679	6465
7	2010	Rural	21937	3141
		Urban	19806	3064
		Total	41743	6205

21. GENERAL REMARKS: Level of registration has considerably improved in the urban areas with the persistent efforts of the staff deployed for the purpose and the organizational measures taken in the recent years. The Registration of events in rural areas was not satisfactory as the earlier Registrars (VDB Secretaries) were heavily engaged in village welfare and also was not taking enough interest in their work. Now, with the change of the Rural Registrars by the head teachers of Government Primary School it is expected that, the level of Registration will be improved in the rural areas.

22. CONCLUSION. For the successful implementation of the provisions of Registration of Births & Deaths, the present system of imparting trainings as well as special trainings for low performing RD Blocks at regular intervals should continue with the financial assistance from the ORGI. Large scale publicity campaign on the importance of Registration of Births and Deaths are required to create awareness among the people especially in the Rural and remote areas of the state for which financial assistance from the ORGI is imperative. District level IDCC meeting will create enthusiasms among the Registrars for better performance to achieve cent percent Registration of the vital events. Computerization of data at the District level is helping in compilation of records better and also ensures safe custody of data for future use.
